ACTION TAKEN REPORT FOR FEEDBACK ON CURRICULUM

Feedback was collected from following stakeholders regarding curriculum design and enrichment. Feedback received is analyzed and an index for each question is calculated. Actions are initiated as stated below.

Academic Year 2019-20

Sr. No	Stakeholders	Feedback Received	Action Taken
1	Students	The electives in terms of their relevance to the specialization streams?	Workshops, Expert Lectures, seminars are conducted.
2		The percentage of courses having LAB components	Students are encouraged to utilize laboratory even after college hours.
3	Teachers	The course/syllabus has good balance between theory and lab.	To bridge the gap between theory and Lab, we have conducted Workshops on recent technologies, expert talks
4	Parents	The academic flexibility embedded in the curriculum provides opportunities to students to pursue their interest by choosing from a vast number of pathways/electives from own area/specialization as well as from other areas.	As the syllabus is designed by University authorities we can't modified it. However at institute level we organize workshops, training sessions and Expert lectures on current trends that can create interest among students.
5	Alumni	Interpersonal Skills: Ability to work in teams, Ability to work in critical /Challenging situation, Independent thinking, Appreciation of ethical Values	We are organizing different group activities like sports, cultural, Group discussions that can improve their interpersonal skills.
